

BARNTON VILLAGE NEIGHBOURHOOD PLAN

**Barnton Parish Council wishes to facilitate the provision of
a NEIGHBOURHOOD PLAN for Barnton Village**

We are looking for

12 volunteers from the community to form a STEERING GROUP

A NEIGHBOURHOOD PLAN gives the community a voice for future planning and can take 2 – 3 years to complete, therefore, Volunteers need to be time committed, motivated, and have some knowledge/interest of planning issues and management.

We are especially keen to recruit someone with experience in the field to head the steering group.

Barnton Parish Council can offer meeting facilities, information and advice.

If you have some spare time, are motivated and would like further information, please contact the Toni Critchlow, Clerk to Barnton Parish Council on
